## EXPERIENCE

### IT Systems Technician

*Nascote Industries, Inc. – Nashville, IL | 2025 to Present*

- Sole IT Help Desk technician for 2<sup>nd</sup> shift, covering 3 departments and about 300 people
- Quick troubleshooting to prevent production downtime
- Configured and deployed Windows-based desktops, laptops, and tablets
- Adding and updating objects in Active Directory
- Used Matrix42 to create tickets and order applications for workstations
- Ran ethernet cables, terminated ends with RJ45s or Keystones
- Use of cable testing equipment

### System Administrator Internship

*Washington County Hospital – Nashville, IL | 2025*

- Deployed and configured Windows-based workstations
- Handled help desk support and resolved end-user issues
- Diagnosed and repaired hardware problems
- Installed network switches and UPS in IDF closets

### CTV Coordinator

*Tallgrass Creek – Overland Park, KS | Oct 2021 – May 2022*

- Maintained broadcast systems and provided technical support to residents
- Assisted and trained residents on using equipment for regular broadcasts on internal channels
- Developed training guides and equipment documentation
- Managed inventory of studio technology

### Technical Producer

*KCTV5 – Fairway, KS | Apr 2013 – Sep 2021*

- Operated studio automation systems for live productions
- Monitored transmissions and diagnosed technical issues
- Collaborated with IT to troubleshoot and resolve hardware/software problems
